Jewellery Designer Profile

HOUSE OF GENEVA

It began with a passion for gemstones and the desire to share a unique heritage. House of Geneva work with local craftsmen to create unique and exclusive pieces. Their mission is to revive prestigious genevan Haute Joaillerie values and know-how, whilst respecting ethical and environmental factors. They use ethical gold and the finest gems to craft elegant and refined pieces. Visit www.houseofgeneva.com or Instagram @houseofgeneva

HEIDI VORNAN

Jewellery designed by Heidi Vornan incorporates visual elements from rock music and tattoo culture. Heidi creates high-end jewellery using old and demanding goldsmith techniques. All her pieces are done by hand using the highest quality materials. Her creations have been seen on artists and on the red carpets. To find out more visit www.heidivornan.com and Instagram @heidivornan

TANIA LARSSON

Tania Larsson creates Gwich'in Fine Jewellery with opulent materials that transcends time and cultures. She exists to remind people of the value that adornments have both in empowering within and inspiring others by sharing Indigenous beauty. A sensory experience awaits you with jewellery from the Canadian Arctic. Shop

her collection at www.tanialarsson.com and follow her on Instagram @Tania.Larsson

GREGORY CRAWFORD

Jewellery becomes art – as expressed in these exquisite unique originals, designed and entirely handmade by American Master Jeweller, Gregory Crawford. So as it is with fine art; colour, intricate details, grace and symmetry produce a true masterpiece. Originals for sale and commissions

are welcomed. To view Gregory's work, visit www.gregorycrawforddesign.com or phone (+1) 478 731 1953.

W. SALAMOON & SONS

For over a century, The House of Salmoon has been designing timeless, wearable works of art, using expert craftsmanship from three generations of master jewellers. Diamonds and stones selected for their quality and purity adorn their classic fine jewellery, which attracts a host of celebrity fans to their boutique in London's Belgravia. Visit www.wsalmoon.com and use VOGUE10 for 10% off

orders before 15/07/19. 30 Lowndes St, Belgravia, London SW1X 9HX.

SARAH ZHUANG

Award-winning jewellery designer, Sarah Zhuang, introduces three new bangles to her 'Dancing Butterfly' collection. Designed to be worn as a set or individually and hand-crafted from 18K gold, diamonds and coloured sapphires, they are the perfect addition to a bold collection inspired by the whimsical movements of butterflies dancing in the air for cheerful women. Visit www.sarahzhuang.com or Instagram @sarahzhuangjewellery

ORAFE

Orafe is an exclusive handcrafted jewellery brand inspired by Ecuadorian culture with an influence of modern trends. Their new collection includes gold and silver filigree jewellery, mixed with vegetable ivory and precious stones. Visit www.orafe.com and follow on Instagram @orafe

SAPA DESIGNS

Sapa Designs transforms traditionally crafted textiles into one-of-a-kind statement pieces. Focusing on sustainable fashion, designer Rebekah Rapp collaborates with artisans around the world in pursuit of maintaining tradition and celebrating culture through innovative jewellery that tells a story. Visit www.sapadesigns.com or follow @sapadesigns on social media to learn more about the brand.

MORPHIC LONDON

Tell your story with the MORPHIC BLOCKS®, a never-ending game of creativity through jewelled pieces. With this collection, Morphic London invites you to create your jewellery inspired by architectural structures. Play with colourful blocks and columns, add more, remove some and make your own unique pendant. Visit www.morphiclondon.com and follow @morphic.london on Instagram and Facebook.

SHIMMER BY CINDY

Inspired by the iconic brooch found in her mother's jewellery box, the Shimmer by Cindy Timeless Wedding Collection is a vibrant mix of colours, textures and metals. Each piece is wearable art with expertly cut gemstones and exquisite detail for the woman who loves to shimmer. Discover the Timeless Wedding Collection at www.shimmerbycindy.com and follow them on Instagram @Shimmerbycindy

LA LUPA DESIGNS

La Lupa Designs is an amazing statement jewellery line with the 'soul' of every piece being the protected Chiyogami bamboo paper, inspired by the art of Origami. Gold, silver, gemstones and pearls blend with the Chiyogami to complete every unique piece. The elegance of the dynamic architectural forms is harmoniously combined with the reflections of the designer's spiritual research on women's empowerment. Visit www.lalupadesigns.com or @lalupadesigns on Instagram.
